Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 05 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Fine and dry days with overnight frosts.

This Evening and Tonight:
It will remain dry this evening and into the night with clear spells at times. Feeling cold with light winds allowing for some frost to develop. Minimum temperature -3 deg C (27 deg F).

Saturday:
A bright and frosty start for many, then dry with sunny intervals, and clouds building up during the afternoon. Remaining dry into the evening with an overnight frost. Maximum temperature 8 deg C (46 deg F).

Outlook for Sunday to Tuesday:
Dry with sunny spells Sunday and an overnight frost. Cloudier but staying dry on Monday. Starting dry on Tuesday then winds strengthen, and heavy rain arrives in the evening.
